OF INTERIOR  
OF THE SLOVAK REPUBLIC

# How to Act in Case OF A TRAFFIC ACCIDENT INVOLVING HAZARDOUS SUBSTANCE LEAKAGE

Park the vehicle in a way that  
it doesn't block the road

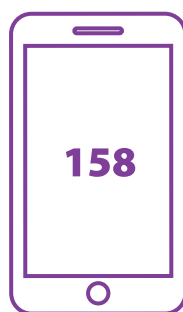

Protect your airways using improvised  
protective tools

Turn off the engine and  
immediately leave  
the contaminated area

Call 112

Follow the instructions  
of the rescuers upon their  
arrival

Do not approach  
the vehicle leaking  
hazardous substances

Avoid touching hazardous  
substances or  
contaminated items.

Wait for further  
instructions
