

MINISTRY
OF INTERIOR
OF THE SLOVAK REPUBLIC

What to Do IN CASE OF A FIRE

Report the fire without delay
from a safe location
by calling 150 or 112

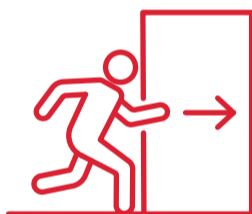

If possible, extinguish
the fire or take necessary
measures to prevent
its spread

Shut off the gas
and electricity supply

Immediately evacuate the
endangered area

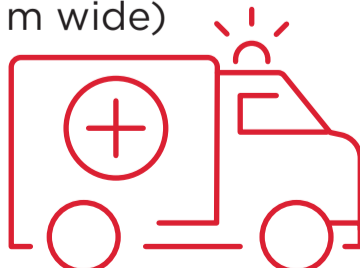

Inform people who may be
at risk from the fire

If it does not endanger you,
provide assistance to those
in need. Evacuate animals
and take valuables with you

Clear access roads
for emergency services
(at least 3 m wide)

Upon request from the
intervention commander,
fire protection unit leader,
or mayor, provide material
or personal assistance
